As one of the countries most well known and respected psychic mediums, Tony Stockwell's perspective on the subject of death provides comfort to many.

In his worldwide theatre demonstrations and television programmes, he provides evidence of the continued existence of loved ones to an ever increasing, loyal audience.

Join us with Tony at L'Horizon, for an unforgettable evening.

"I'm like a transmitter – the link between two worlds – I filter through thoughts and feelings, inspiration and information from those who have passed over"
